

# FLOOD INSURANCE COVERAGE WAIVER

I (we) have reviewed the package of insurance offered by the \_\_\_\_\_ Agency for coverage on property which I (we) own, rent, lease, or use. After consideration of the coverage recommended and the premium for this insurance, I (we) have elected to waive any and all coverage provided by a Flood Insurance policy or endorsement. I (we) understand in the event of loss or claim presented due to damage to a building or other property, including but not limited to, personal property, the package of insurance which I (we) have applied for provides no coverage for any type of damages or any cost associated with repairs resulting from flood, flood waters, surface water(s), mudslide, or wind driven rain/water.

This waiver of coverage shall remain in effect until rescinded or withdrawn by a formal request in writing to the \_\_\_\_\_ Agency.

I (we) further understand if I (we) desire to add this coverage to the package of insurance in the future, my (our) request will be subject to approval, waiting periods, and underwriting guidelines at the time of the request, and that such request to add coverage must be made in writing to the \_\_\_\_\_ Agency.

In addition, I (we) will not hold the \_\_\_\_\_ Agency, its employees, owners, agents, or representatives responsible for this decision to waive coverage. I (we) understand there is no liability assumed by the \_\_\_\_\_ Agency for my (our) decision to self-insure any and all losses that may result from the perils of Flood.
