

## The Power of Partnership

IIAND continues to see steady membership growth year over year encompassing over 200 independent insurance agencies and branches across North Dakota with more than 850 employees.

Our members offer all lines of insurance including property, casualty, life, health, and crop insurance.

IIAND is affiliated on the national level with Independent Insurance Agents and Brokers of America (IIABA) and the Trusted Choice®

Independent Insurance Agents of North Dakota's Partners Program is designed to leverage the power of collaboration and relationship-building. Using a flexible tiered approach, our Partner Program allows each company to choose a partner tier and tailor that level to give them the most return for their investment. Each partner level provides companies with year-round exposure to our member agencies and their employees.

## Investing in Our Shared Future

Your IIAND Partnership is an investment in the professional development and strength of our industry. As partners, we can work together to share ideas and resources that benefit North Dakota agencies....join forces to recruit and retain the next generation of independent agents. We invite you to join IIAND in protecting, promoting and growing the independent insurance agency system in North Dakota.
